

20-Year Visions: Milestones & Future Steps

Calling all community & business leaders, creative change-makers, environmentalists, sustainability experts, business alliances, work force developers, educators, agency leaders, funders, natural resource stewards, & others dedicated to a clean and healthy Pacific Northwest!

PPRC will host its 20th anniversary celebration and Regional Roundtable on Sept. 20 & 21, 2011, in Seattle. The meetings will feature a wonderful look back at the success of pollution prevention efforts over the past 20 years and a strategic look forward to what's needed in the next 20 years.

In particular, we hope you'll join creative, pragmatic thinkers Wednesday, Sept. 21 to craft a shared vision and roadmap for the future.

The day will include:

- Keynote address by Fred Hansen, EPA Deputy Administrator--Clinton Administration, former Director of Portland Tri-Met and Oregon Dept. of Environmental Quality
- Facilitation by Bill Ross of Ross & Associates, a "founding father" of pollution prevention efforts in the region
- Small groups envisioning a clean & healthy Pacific Northwest in years to come
- Co-creating a roadmap of steps to help achieve our goals
- Closing remarks & perspectives from agency, community, and business leaders

Wednesday, Sept. 21, 2011 • 8:30 a.m. to 3:00 p.m.

Event, including lunch: \$85

Red Lion on Fifth 1415 Fifth Avenue • Seattle, WA 98101

You are also welcome to attend our E3 strategy session and banquet on Sept. 20!
