

# Free EcoBiz Certification Workshop

*Presented by the Pollution Prevention Resource Center*

Partners for a Sustainable Washington County Community invites you to a **FREE** workshop about EcoBiz certification for automotive and fleet maintenance operations and to hear from certified shop managers about their most innovative “green” fleet ideas. Certified businesses, including many public fleets, benefit by receiving technical assistance, marketing and advertising, all free, and by being acknowledged as leaders in their industry.

<b>Event</b>	<b>EcoBiz Certification Workshop for Fleet Managers</b> <ul style="list-style-type: none"><li>• Overview of EcoBiz Auto Cert Program (including Senate Bill 737 pollution prevention planning requirements)</li><li>• Input from certified fleet managers – benefits, challenges of getting certified</li><li>• Best examples of eco-practices from the fleets</li><li>• Discussion/Q&amp;A</li></ul>
