**By-Product Synergy NW invites you to the third Puget Sound Region Waste-to-Profit Workshop and Networking Event**

March 17, 2010—8:00AM to 1:30PM  
Seattle City Hall — Bertha Knight Landes Room—600 4th Ave, Seattle

**By-product Synergy NW** is a collaboration of Puget Sound area businesses discovering and implementing materials exchange, re-use and waste reduction strategies that are contributing to:

- Savings and efficiencies for companies:
  - Reduced resource use: energy, water, petroleum, natural resources
  - Reduced waste disposal costs – waste to landfill
  - Reduced processing and disposal costs of materials
- Business opportunities and economic development:
  - Innovations in manufacturing
  - Job creation

**Explore your opportunities with business leaders from the Pacific Northwest at our third waste-to-profit workshop and networking event. (All Welcome!)**

**Event Program & Resources include:**

- Fast track materials and resource exchange workshop
- On-site access to materials experts and technical resources
- Networking lunch
- Success stories and examples from By-Product Synergy NW member companies and others

**Registration: \$75 general admission; \$50 NBIS and By-Product Synergy NW Members; \$50 Government and Non-Profit; \$35 Full-time students**
